

3.7.15 Channel Update

2015-03-07 15:24:56 by dirt

With all the snow we have received, it may be a while before we can get back to the range. All of the sites you have seen us shoot from are inaccessible at this time. Please check out the [video on this thread](#) for more information and what the Ohio River looks like at this time. All comments, concerns, or questions can be posted [here](#). YouTube video can be found [here](#).
